

SPECIAL CARE FOR PEDIATRIC CROWNS AND SPACE MAINTAINERS

- Avoid sticky sweets or chewing gum.
- Do not tug or push on the crown or space maintainer with your fingers or tongue.
- Keep it clean with brushing and flossing.
- If it feels loose, do not try to pull it off. Contact the dental office as soon as possible 614-876-5500.
- If it comes off, do not throw it away. Contact the dental office as soon as possible at 614-876-5500 and bring it with you to the scheduled appointment.
